

Robert Fleming
Florida Gas Transmission
Orlando, FL

Robert Fleming, works as an Operations Manager at Florida Gas Transmission (FGT) in Orlando, FL. He has been working at FGT for 15 years, and has held positions as Project Engineer, and Engineering Manager. Currently as Operations manager, his duties include overseeing daily operations, project coordination, environmental and regulatory compliance activities.

The FGT system is a 5,300-mile system that transports natural gas from south Texas to south Florida. FGT is a Energy Transfer and Kinder Morgan affiliate.
