

Gordon M. King

Gordon currently holds the position of Executive Vice President of Corporate Services for Okaloosa Gas District, an Independent Special District of the State of Florida. He has held the position since 2015 and has been employed by the District since 2001 where he held the position of Vice President of Operations.

Gordon earned a Bachelor of Science degree in Petroleum Engineering from Louisiana Tech University and has worked in the natural gas utility industry for 34 years in the areas of operations, engineering and management.

Gordon stays actively involved in the community and is a board member and Chairman Elect of the Niceville/Valparaiso Chamber of Commerce, serves on the Military Affairs Committee as Past Chairman and currently serves as Past Chairman for the American Heart Association, Heart Walk and Heritage Museum of Northwest Florida. He also serves on the Board for the Economic Development Council of Okaloosa County. He is active in the American Public Gas Association and serves as the Research Foundation's Technical Projects Committee representative for OTD, Operations Technology Development.

Gordon and his wife Sally reside in Niceville, Florida.
