

Michael Miller
Buckeye Partners
Tampa, Florida

Mike Miller is a Senior Operations Manager for Buckeye Partners overseeing all Buckeye assets throughout Florida. The assets include four marine terminals, two rail facilities that receive, store and distribute ethanol and butane, and four PHMSA regulated pipelines. Mike also sits on the governess board and represents Buckeye for the co-owned central manifold in Tampa. In addition, Mike is responsible for third party operation and maintenance of two PHMSA regulated pipelines that service Miami International Airport and Ft. Lauderdale International Airport.

Buckeye Partners, L.P. owns and operates a diversified global network of integrated assets providing midstream logistic solutions, primarily consisting of the transportation, storage, processing and marketing of liquid petroleum products. Buckeye is one of the largest independent liquid petroleum products pipeline operators in the United States in terms of volumes delivered, with approximately 6,000 miles of pipeline. Buckeye also uses its service expertise to operate and/or maintain third-party pipelines and perform certain engineering and construction services for its customers. Buckeye's global terminal network comprises more than 115 liquid petroleum products terminals with aggregate tank capacity of over 118 million barrels across our portfolio of pipelines, inland terminals and marine terminals located primarily in the East Coast, Midwest and Gulf Coast regions of the United States as well as in the Caribbean.

Mike, is based in Tampa is currently pursuing his Bachelor of Business Administration degree from Columbia Southern University.
