

## **William Meyer**

William W. "Bill" Meyer joined Next Era in 2011 as Manager of Pipeline Integrity and is currently the Director of Asset Integrity and Pipeline Compliance and is responsible for management of all DOT regulator compliance programs.

From 2007 to 2011, Mr. Meyer served as DOT Specialist for Sunoco Logistics determining adequacy and uniformity of compliance of plans, programs, records and operations with 49 CFR, Part 195 regulations. During this time he was involved, on average, with 20 state and federal pipeline safety inspections per year including participation with 2 of the new federal integrated inspections.

Prior to joining Sunoco Logistics, Mr. Meyer served from 1998 to 2007 in several technical management positions with the Railroad Commission of Texas including Director of Risk Management and Operations in the Executive Director's Office and as Deputy Director of the Pipeline Safety Division.

Mr. Meyer holds a Bachelor of Science from the College of Engineering at Texas A&M University - Kingsville, in Industrial Technology.
