

Water Safety

Take Steps to Stay Safe Around Water

- *Enroll in age appropriate swim lessons*

Make Water Safety Your Priority

- *Always swim with a buddy*
- *Never leave a child unattended near water*
- *Establish water safety rules for your family*

Prevent Unsupervised Access to the Water

- *Install barriers around your pool or hot tub*
- *Remove access ladders & secure the cover*

Maintain Constant Supervision

- *Actively supervise kids around the water*
- *Stay within arms reach of very young children*

Your Reward For Working Safely Today...Is Tomorrow!
